### A MERRY CHRISTMAS & BLESSED NEW YEAR 2024!

Dear Friend,

Greetings of love and peace from Winifred Nyirahabarugira, founder of SICP Charity, a Non-profit and a Tax-Exempt charity. I pray that God keeps you and your family in good health. I am doing well in Kigali, Rwanda, with my organization and our heroic leaders, volunteers and families. May I express my deep appreciation and gratitude for you and your family? Your generosity is something extraordinary because you are truly a reflection of God's love in our lives.

The Christmas season offers us the gift of God's perpetual love. It is a special time of coming closer together and to reach out to one another in the spirit of God's unconditional love. May God bless you with a rich, profound Advent and a joy-filled, gracious Christmas! Since 2023, SICP Charity serves as a lifeline hope to those living at the fringes of society, encouraging, and educating them. Through your generosity, lives are being changed, uplifted, and dignified beyond comprehension. Some of our former students who graduated last year are thriving in their careers, successfully serving as family breadwinners.

The invitation of this Christmas is to let Christ be born into our hearts, learning to work as He works and speak as He speaks. Let us open our hearts and give ourselves through selfless love, compassionate words and deeds. Christ is reborn daily in ordinary people who are willing to respond to God's call and the openness to do His Will. May the peace, joy and love of the Child Jesus be with you and your family this Christmas and throughout the New Year, 2024! God Bless Africa!  
Regards!
