

SICP Charity

Together, we can make a lasting impact and create a brighter future for children and people in need.

BECOME A CREATOR OF JOY AND HAPPINESS FOR A CHILD!!

Let's Start Now For December 2025

MERRY CHRISTMAS & BLESSED NEW YEAR 2024!

Dear Friend,

Greetings of love and peace from Winifred Nyirahabarugira, founder of SICP Charity, a Non-profit and a Tax-Exempt charity. I pray that God keeps you and your family in good health. I am doing well in Kigali, Rwanda, with my organization and our heroic leaders, volunteers and families. May I express my deep appreciation and gratitude for you and your family? Your generosity is something extraordinary because you are truly a reflection of God's love in our lives.

The Christmas season offers us the gift of God's perpetual love. It is a special time of coming closer together and to reach out to one another in the spirit of God's unconditional love. May God bless you with a rich, profound Advent and a joy-filled, gracious Christmas! Since 2023, SICP Charity serves as a lifeline hope to those living at the fringes of society, encouraging, and educating them. Through your generosity, lives are being changed, uplifted, and dignified beyond comprehension. Some of our former students who graduated last year are thriving in their careers, successfully serving as family breadwinners.

Josee, our former student wrote, "In the end! Graduated as an *Engineer in Road Construction*. I am forever grateful for SICP Charity and my former school ESTB. It has been my foundation for the person I am today. Thank you SICP Charity, teachers and dear brothers and sisters. I hope I made you all proud."

This is a great success story of our programs. We believe every human being should have opportunities to succeed in life, irrespective of where or how he or she is born. Many widows in Sub-Saharan countries have improved their living standard and achieved self-esteem and confidence through micro-finance and

cooperatives. Many of sturdy homes have been built with the generosity of individual donors, providing shelter and security to families who formerly lived under thatched roofs.

Donated livestock such as cows and goats are generating revenue and helping to support poor families. We have reached out to marginalized communities and set up tailoring and other business. These programs develop their skills and make them bread winners.

SICP Charity organization maintains a strong record of success and excellence in providing cost-effective, quality education to over 100 children who are socially and economically disadvantaged. Our sponsorship programs offer incentive and hope for many children to stay in school. Most come from families who earn less than 2 USD or none per day and struggle to meet their basic needs. These families cannot possibly afford to cover tuition and other costs, and they thank God for your helping hand.

HOW CAN YOU SUPPORT US

Small or large, your donation will pave the way to a bright and limitless future for our children. Remember us in your WILL and help the good works live on. Your support will enable us to continue our mission. Stewardship is an integral part of everything we do because we recognize that every resource entrusted to us can transform real children's lives. We are proud to report that 90% of our total expenses in 2023-24 went to support the programs and activities to provide effective advocacy, basic health care, education, housing, clean water and economic development.

Please join the SICP Charity family today by making a Year-end contribution, sponsoring a child, or offering a loved one the gift of a donation of cash, stocks or other liquidities in their honor. Many companies offer plans to match funds for charitable contributions; if such a plan is available to you, enrolling yourself in it can help us even further. Please mail your donations payable to SICP Charity, Paroisse St Famille Central St Dominic 32 FW+4JH Gatsata Road vers Byumba, Kigali or call us at +250793017617 or email at winifred@sicpcharity.org or fundus@sicpcharity.org

The invitation of this Christmas is to let Christ be born into our hearts, learning to work as He works and speak as He speaks. Let us open our hearts and give ourselves through selfless love, compassionate words and deeds. Christ is reborn daily in ordinary people who are willing to respond to God's call and the openness to do His Will. May the peace, joy and love of the Child Jesus be with you and your family this Christmas and throughout the New Year, 2025! God Bless Africa!
Regards!

N. Winifred
